OBJECTIVE

Motivated Artificial intelligence and Data Science student with strong basics in Python, SQL, and data analysis tools, looking for an internship or entry-level role to apply my skills in real projects. I am confident in writing clean code, analyzing data, and learning new tools quickly to contribute effectively to your team.

EDUCATION

SJC INSTITUTE OF TECHNOLOGY, Chikaballapur Expected 2027
Artificial Intelligence and Data Science - CGPA 8.8.

Dolphin's PU College, Percentage - 87.1 2021 - 2023

SKILLS

Programming Languages	Python,Java,C-language,SQL,HTML
Core Concepts	Data Structures, DBMS, Object-Oriented Programming(OOPs), Algorithm Analysis
Tools	Power BI, MY SQL, Mango DB, AWS
Soft Skills	Communication Skills, Leadership Skills.

PROJECTS

Smart Attendance System Via BLE and ESP-32 Developed a full-stack smart attendance system integrating Flutter mobile app with ESP32 hardware via Blue-tooth Low Energy (BLE), enabling automated, contactless student check-ins through MAC address scanning and real-time verification.Created multi-role (Student/Teacher/Admin) dashboards with real-time reporting and proxy prevention.Integrated scalable BLE hardware-software stack (40m range) for automated IoT attendance tracking.

Task Management App Built an Application for the daily task managements using the flutter and firebase. which contains adding of tasks required and managing them as an checklist and be efficient in work.

INTERNSHIPS

AI Intern - AICTE x 1stop.ai x Microsoft

Duration: [6 months]

- Completed structured training with pre-requisite learning modules and live sessions conducted by industry experts.
- Worked on hands-on projects in Artificial Intelligence and Data Science,including data preprocessing, model.
- Gained practical experience with Python, Matplotlib, Scikit-learn, and basic machine learning workflows.Applied concepts such as data analysis, feature engineering, and predictive modeling to solve real-world problems building.

CERTIFICATES

- Ethical Hacker - Cisco Networking Academy (2025)
- Introduction to Modern AI - Cisco Networking Academy (2025)
